Introduction

Mr. William C. Michael

Classical Studies, College Prep

Mrs. Dania C. Michael

Elementary Studies

After studying Classics at Rutgers University, we have been working in private education for over 20 years as classroom teachers, school administrators and curriculum publishers.

In 2008, we founded the Classical Liberal Arts Academy, and have served thousands of students throughout the Charlotte area and around the world through online courses and tutoring services.

We are members of Our Lady of Lourdes Catholic Church in Monroe and are the parents of ten children, whom we have educated, and continue to educate, privately.

In 2022, we are opening a private tutoring office in downtown Monroe, which will be open to all members of the community. Affordable tutoring that emphasizes Christian faith and morals will be available for students of all ages in all subjects—both modern and classical.

Services

Students need more than mere academic assistance to succeed. We maintain a family environment that challenges and supports students in all areas of their lives.

Individual Tutoring

One-on-one tutoring is available by appointment for all ages in all subjects.

Group Tutoring

Tutoring is best when students meet in small groups. Parents can arrange their own study groups or have a child join an existing group.

Homeschool Classes

Local homeschool groups can arrange for classes to be taught by Mr. Michael. This is especially helpful when classical studies are made available for students who otherwise wouldn't have access to them. Great way to fill out a homeschool transcript.

Homeschool Curriculum

We offer a broad selection of online courses for use by homeschool families, covering both modern and classical studies. Learn more at: <https://classicalliberalarts.com/study>

Private Instruction

If you would like for Mr. Michael to provide an entire course of private instruction to one or more students, that can be arranged. Provide a gifted student with the most challenging course of studies possible through private instruction.
